

-Portland designer Emily Christensen, of Filly (www.fillydesigns.com), is hitting the road with a car full of clothing and her favorite assistant - Bello, an 11-year-old chocolate lab. On the "Friends of Filly" tour, they will be setting up temporary shops in the homes of local Filly fans, sharing tea and making new friends.

-Come have a ball at the next FOE. Just follow the giggles of happy women. We can't wait to meet you.
